Optional plugs for selection satisfying multiple applications. It is the best car battery charger. ASEBC301 - DaTo brand of battery charger or booster provides high ranking ampere and is reliable for jump starting car. Available with one year guarantee.

Features

ITEM	ASEBC301
Input Voltage (V)	230
Rated Working (KW)	Charging 2 Start 12
Max Starting Current (A)	540
Adjustment Positions	6
Charge Voltage (V)	12/24
Rated Charging Current (A)	60
Max Rated Reference Capacity (ah)	1000
Min Rated Reference Capacity (ah)	60
Fuse (A)	20
Weight (kg)	26
External Dimension (cm)	40.5 X 31.5 X 61.5
20ft (QTY)	370
