

## LJESF - ENGINE STAND

Model No: LJESL205

Model No: LJESL206

Model No: LJESF210

DaTo LJESF engine stands are constructed with heavy duty steel, providing long term durability with an industrial luster. An extra-wide base provides maximum stability. The mounting head features (4) adjustable arms and 360-degree rotation, allowing for easy access to any part of the engine. It securely holds most foreign and domestic engine blocks.
