#### LIGHTWEIGHT & PORTABLE

The Plastic Creeper is one piece blow mode creeper that made out of sturdy PE plastic. It is light weight (approximately 5kgs), but extremely strong. With its impact resistant and padded pillow, it gives a user's extra comfort while laying on it. The carry handle makes it easy to pick up, position, or transport.

#### UPGRADED VERSION WITH LIGHT

The Creeper features 200kgs capacity with the length of 40 inches and the width of 19 inches. It fits comfortably for most users. 360

#### DEGREE SWIVEL CASTERS

This plastic creeper features 6 multi-terrain swivel casters, which are industrial strength with oil, chemical, and grease resistant. With the caster size of 3 inches, it provides not only the maneuverability but also the extra durability for workers underneath the vehicles.

#### ERGONOMICS DESIGN

Rugged ergonomics design with the impact resistant to provide extra comfort for users. Sit slowly on the end of the creeper, and lay back to rest your head on the padded headrest to give you the extra relief.

#### QUALITY WARRANTY

BY Plastic Creeper is covered 18 Months limited warranty from the date of purchase. We believe that we will offer top quality products and satisfactory after sale issue. Buy with confidence
